Professional Summary

I'm a recent graduate from Häme University of Applied Sciences (HAMK) and currently working at Calevala Ltd. I'm passionate about building responsive, scalable web applications and staying up-to-date with the latest technologies. My goal is to create user experiences that are not only efficient but also visually engaging. I'm eager to push boundaries and bring innovative ideas to life.

EDUCATION

- Häme University of Applied Sciences Bachelors in Computer Applications Completed in 2024 GPA 4.3/5
- Al-Yarmouk University College Bachelors in Computer Engineering Completed in 2014 GPA 61/100
